

## test drive

Ariana Grande

Pull up, pull up on me  
Ay-ay  
Might just recline the seat when I want it  
Give you a set of keys 'cause you own it

Pull up, pull up on me  
Ay-ay  
No second guessing, checking the rearview  
Ain't looking back unless it's right at you

Make me wanna stay through the night  
I will never leave from by your side  
Don't you know you got a ride or die?  
Mmm-mmm, mmm-mmm

Even when I miss you on the road  
You should know I'm always in control  
'Cause the one thing I already know  
No, I don't feel the need to test drive nothing

Test drive nothing  
Baby, I'm sold on you  
So I don't ever gotta test drive nothing (Oh, oh-oh)  
Test drive nothing (My baby)  
It's in the way you do it, I don't ever gotta baby

I drop the top on that body  
That's candy paint on my body  
I'm thinking 'bout the way I feel on you

If you want, say, "I do" (I do)  
I'll floor it (I'll floor it)  
Just say the word, you know I'm yours (I'm yours)  
Just drop a pin and don't reverse (Oh)

Make me wanna stay through the night (Ooh-ooh)  
I will never leave from by your side (Leave from by your side)  
Don't you know you got a ride or die?  
Mmm-mmm, mmm-mmm

Even when I miss you on the road  
You should know I'm always in control  
'Cause the one thing I already know

No, I don't feel the need to test drive nothing (No, babe)  
Test drive nothing  
Baby, I'm sold on you  
So I don't ever gotta test drive nothing
