

# the boy is mine

Ariana Grande

Ah, yeah  
Mmm, mmm

How can it be? You and me  
Might be meant to be, can't unsee it  
But I don't wanna cause no scene  
I'm usually so unproblematic  
So independent, tell me why  
'Cause the boy is mine, mine

Somethin' about him is made for somebody like me  
Baby, come over, come over (Over)  
And God knows I'm tryin', but there's just no use in denying

The boy is mine  
I can't wait to try him  
Le-let's get intertwined  
The stars, they aligned  
The boy is mine  
Watch me take my time (Watch me take my time)  
I can't believe my mind (I can't believe my mind)  
The boy is divine  
Boy is mine

Please know this ain't what I planned for  
Probably wouldn't bet a dime or my life on  
There's gotta be a reason why  
My girls, they always come through in a sticky situation  
Say, "It's fine" (It's fine)  
Happens all the time

Somethin' about him is made for somebody like me  
Baby, come over, come over (Over)  
And God knows I'm tryin', but there's just no use in denying

The boy is mine  
I can't wait to try him  
Le-let's get intertwined  
The stars, they aligned  
The boy is mine  
Watch me take my time (Watch me take my time)  
I can't believe my mind (I can't believe my mind)  
The boy is divine  
Boy is- (The boy is, oh)

And I know that this is meant to be and I  
I'll show you accountability and empathy and sympathy  
How could you still be so disillusioned after all of this time, time?  
I told you once before, I'll tell you once more, the boy is still mine, mine  
Yeah, said he wanna make plans with me, but I don't fuck with affairs, you s  
ee (I know)  
But listen what they say to me, if it ain't broke, then it can't be broken (Be broke)  
Well, he better sort out his business, 'cause I'll never be nobody's mistress (I know, I know, I know)  
Mine, mine, mine  
I can't ignore my heart, boy

The boy is mine (Mine)  
I can't wait to try him (Oh yeah, can't wait to try him, ooh)  
Le-let's get intertwined (Let's get intertwined)  
The stars, they aligned  
The boy is mine (Mine)  
Watch me take my time  
I can't believe my mind  
The boy is divine (Oh, oh)  
Boy is mine (Mine, mine)  
I can't wait to try him (I can't wait to try)  
Le-let's get intertwined  
The stars, they aligned (The stars)  
The boy is mine (Oh, woah, oh)  
Watch me take my time (Oh, watch me take my time)  
I can't believe my mind (Woah, I can't believe my mind, no)  
The boy is divine  
The boy is mine
