

# Daddy, Please Give A Little Time To Me

Ariel Pink

Daddy, please give a little time to me  
Daddy, give a little time to me  
I've been what's on just a top  
Couldn't you and I just walk for a little while?  
Daddy, little things are worrying me  
Won't you please explain these things to me?  
I need you  
Daddy, please give a little time to me

Daddy, give a little time to me  
Daddy, give a little time to me  
I've been what's on just a top  
Couldn't you and I just walk for a little while?  
Daddy, little things are worrying me  
Won't you please explain these things to me?  
Daddy, please give a little time to me  
Won't you have time?  
Would you have time tonight?  
Daddy
