

Dreamdate Narcissist

Ariel Pink

Ok alright uh huh

What a fine day

After we spa

Netflix and chill where we [?]

She sent for my Uber 'cause she wanted some dick

'Cause I'm a dreamdate narcissist

'Cause I'm a dreamdate narcissist

'Cause I'm a dreamdate that's when we started to kiss

Hooba stank hooba stank

Swim walk and swag

Thanks for the memories thanks for the ride

She's a creepy creepy witch with heck of a rise?

'Cause I'm a dreamdate narcissist

'Cause I'm a dreamdate narcissist

'Cause I'm a dreamdate that's when we started to kiss

Wee little gets my veiny eye?

Beachwood is where she resides

So taking what is mine

Mine oh mine

What a fine day

After we spa

Netflix and chill where we [?]

She sent for my Uber 'cause she wanted some dick

Hurricane junkhead melody lounge

Protien shake ooooo?

Its so easy its almost a crime

'Cause I'm a dreamdate narcissist

'Cause I'm a dreamdate narcissist

'Cause I'm a dreamdate that's when we started to kiss

When we started to kiss

Wee little gets my veiny eye?

Beachwood is where she resides

So taking what is mine
