And then you start up from scratch
[?] manages the love life
because of a new wife

She may get stuck in July but
Don't be surprised when you end up with April
When day after day
Day after day
Ever see a hearse dragging tin cans?

Take a honeymoon, a trip to the big apple tonight

So baby, let's get married tonight
Baby, let's get married tonight

Eh, what,
What'd I say, what'd I say?
Where you going?
Gee, don't take it so hard, you know?

I'll be at the chapel and
See my hearse dragging tin cans

So baby, let's get married tonight
Let's get married tonight [x3]

I'll be at the chapel and
See my hearse dragging tin cans

And she may get stuck in July but
Don't be surprised when you end up with April
When day after day
Day after day

Jump off a rooftop
Gonna fly, gonna
Take a honeymoon
A trip to the big apple tonight

Baby, let's get married tonight, yeah
