

Menopause Man

Ariel Pink

Mental woman, born of man
Born of woman, mental man
Change me, I'm changing day to day
Lady, I'm a lady from today

Neuter me
Spay my heart
So just come on girl
Saturn star

Trying too hard
To be yourself
Said you're trying too hard
To be what you are

Make me maternal, fertile woman
Make me menstrual, menopause man
Rape me, castrate me, make me gay
Lady, I'm a lady from today

Unique
Spay my parts
So just come on girl
Saturn star

Trying too hard
I know you're trying too hard
You're trying too hard
To be what you already are.
