

# Off The Dome

Ariel Pink

Can't talk now I'm singing a song  
Off the cuff and off the dome  
Sorry, can't talk I'm singing the words  
Pull that secret ace card

Ooh, ahh  
Ooh, ahh  
Ooh, ahh  
Ooh, ahh

When I'm sucking on the whole  
Spend my days in lover's arms  
At first, I stepped into the void  
Curse my name, forsake it all

Oh, oh no, it's so mid  
I'm about to go throw up again  
I get so sick every single night

When I'm sucking on the whole  
Spend my days in mother nature's arms  
And at first I burst into this stall

Oh, oh well, I know I'm breaking the fourth wall  
And you were caught off guard

I'm off pitch (ooh, ahh)  
Batter up (ooh, ahh)  
I'm off pitch (play ball)

Can't talk now I'm singing a song  
Off the cuff and off the dome  
Sorry, can't talk I'm singing the words  
Pull that secret ace card  
Burn that magic 8 ball  
Burn that magic 8 ball  
Pull that secret ace card

Oh, oh no, it's COVID  
I hope that they don't show up  
Every single night

Ooh, ahh  
Ooh, ahh  
Ooh, ahh

Burn that magic (Ooh, ahh)  
Burn that magic (Ooh, ahh)  
Burn that magic (Ooh, ahh)  
Burn that magic (Ooh, ahh)  
Can't talk now, I'm singing a song  
Can't talk now, I'm singing a song  
Off the cuff and off the dome  
Off the cuff and off the dome  
Sorry, can't talk I was singing the words
