

Revenge of the Iceman

Ariel Pink

What is it to be nothing
And to be ???
I want to be a scholar
(A mercenary trojan???)

Push down on your head
I came here to be bored
I came here not to know

???
(...me home???) just like the Iceman
???
??? just like the Iceman
The Iceman

What is it to be loved
I want to be a daughter
It's better to be dark
And to love you like a brother

It's almost waging war
What is to (give all???)
I want it to be calm
I want it to be done

(...me home???) just like the Iceman
???
??? just like the Iceman
The Iceman

What is it to be man
I think before I bang
She sold some good advice
I came inside her thrice

What is it to be counted
I put you on the floor
This (shrine? is now) your head
Open the fucking door

Open the fucking door (x4)

HEY HEY HEY HEY HEY HEY HEY HEY (x4)

???
(...me home???) just like the Iceman
???
??? just like the Iceman
