

# Why

Ariel Pink

The kid is good  
He's not like all the others  
He's misunderstood  
And so we're all his brothers  
Now he stands in the rain again

The kid is fine  
But he's jealous of his own friends  
Divine, but he's got no money to spend  
But, he can take the pain

I'm just a lonely kid  
Standing here on the porch  
I got nothing to lose  
I got nothing to search for

I said why? Why?  
Why does it have to be like this  
I said why? Why?  
Why does it have to be this way?

It's our ten year anniversary  
What happened to raw deal  
What happened to Jerry James  
And I know, didn't come back all this way to be myself  
After all, what are friends for

I said why? Why?  
Why does it have to be like this  
I said why? Why?  
Why does it have to be this way?

Make me suffer  
Make me pain  
You don't know what I would do to see you once again  
Build my life  
Wreck it in  
Pull it by the rim real hard  
And toss it all around

Why? Why?  
Why does it have to be like this  
I said why? Why?  
Why does it have to be this way?

I said why? Why?  
Why does it have to be like this  
I said why? Why?  
Why does it have to be this way?

Why does it have to be this way?
