I know you're tempted
We on a crash course
I don't know when that's endin'
Told you I don't drink and drive
Wait 'til I pop this bitch
We so far gone tonight
You gon' wish you jumped off this bitch

I got you leanin'
Out of your [?]
I got you leanin'
Out of your [?]

Bounce like a mo'fucker
Bounce like a mo'fucker
Nigga [?] like a motherfucker [?]
Zone out, nigga [?], zone out

I got you leanin'
I got you leanin'
I got you leanin'
Out of your [?]
I got you leanin'
Out of your [?]
