

# Believe

Arin Ray

Can I come home  
It's been the longest  
Since you been gone  
I can't control myself  
I been alone  
So hard to breathe  
I miss you with me (I miss you with me)

Please say something  
I guess maybe  
I sound crazy  
If you were  
In my shoes what would you do  
I guess lately  
We stay patient  
Lock in, baby

Cause there is a part of you that don't want to leave  
Like there is a part of me that don't want to cheat (so I don't)  
Ain't say I never did you wrong (did you wrong)  
Can't act like I ain't coming home (coming home)  
Cause there's that part of you that wants to believe in me (in me)

We on a different vibration  
I want to wake up right next to you  
You want to talk about pressure  
I put on to you  
Yea I can be a little extra  
I confess yea it's never my intentions  
We need some direction  
I guess maybe  
I sound crazy  
If you were  
In my shoes what would you do  
I guess lately  
We stay patient  
Lock in, baby

Cause there is a part of you that don't want to leave  
Like there is a part of me that don't want to cheat (so I don't)  
Ain't say I never did you wrong (did you wrong)  
Can't act like I ain't coming home (coming home)  
Cause there's that part of you that wants to believe in me (in me)

Got, gotta be right now  
Gotta be, gotta be right now  
Gotta be, gotta be right now  
Just tell me when

If it ain't got  
Gotta be right now  
Gotta be, gotta be right now  
Gotta be, gotta be right now  
Just tell me when
