

Save It All

Arin Ray

Said wait, I had to get right, yeah
Uh, had a lot on my mind, had a lot in my pocket
Had a lot, had some options, you know
Top-shit, top-shelf, high-end, yeah, yeah
Say it
Said wait, yeah, I had to get right, yeah
A nigga was losing the fight, yeah
Uh, enough is enough for me
I'ma save it all, I'ma save it all
I'll save it all, save it all
I'ma save it all, I'ma save it all

Trust me to be everything
Keep the peace, yeah, I be the bee's knees
A clean sweep, the winning team
What a dream, yeah, watch for the three-peat, oh
See I like your body, you not like nobody, let's stop with the
runaround
See she not the typical type, I gotta show up and shut it down
Uh, it's okay, baby, if I stay, baby
I'ma save it all, I'ma save it all
Baby, baby
I'ma save it all
Baby
I'll save it all just for you

Nothing like me and the crew
Come on with me, we can cruise, yeah
We can cruise, we can cruise
We can cruise, we can cruise it all day, yeah, girl
I'll save it all just for you, ooh
