

Solo

Arin Ray

Riding solo
Guess I'm always riding solo
Flying solo
Guess I'm always flying so-, solo

Where's my car?
It's getting pretty scary
I'm thinking way too much
It's probably 'cause she getting married (getting married)
It's not her fault
I didn't do what's necessary
From January to January
We could've been legendary
As far as I'm concerned
I'm retired, I won't love again (love again, love again, love again)
As far as I'm concerned
She's just tired not in love with him
But I know she-
As far as I'm concerned
She's just settled, yeah I know pretend
Waiting on me to bust right in
And save her like I'm superman
Damn, it's clear as day that I'm

Riding solo (yeah)
Guess I'm always riding solo (riding solo)
Flying solo (flying solo)
Guess I'm always flying so-, solo (riding solo)

Isn't it crazy how we went from best friends to lovers
Now we're just strangers
Sorry I left without explaining
I couldn't figure out how to save ya
We were living love in a countdown
Come around and it would be KO
Had to go
Hope you find a way to be okay without me
Know you haven't spent this many days without me
You'll find a way without me
Without me, our love
You're still running from
So I catch you

Riding solo (yeah)
Guess I'm always riding solo
Flying solo (flying solo)
Guess I'm always flying so-, solo
