

Stressin

Arin Ray

I been stressin', stressin' out and shit
Feeling out of it
Fuck is going on?
Yeah
'Cause we been stressin', stressin' out and shit
Feeling out of it
(Always a fucking issue)

I stay fucking up
My girl had enough
Yeah I had like three kinda drinks in my cup
She told me "settle down, baby"
Settle down baby
She want me to be like trees in the summer breeze
That'll be so neat
Just for me, do it for me, please for me baby
(That's what she said)
(I don't wanna move on)

She been stressin', stressin' out and shit
Way too out of it
Fuck is going on?
Yeah
'Cause we been stressin', stressin' out and shit
Feeling out of it
Fuck is going on?

No, no, no this ain't the liquor talkin'
It's a bigger offer
We got better moves
We got shit to do
Yeah
So what's the plan baby?
If I'm the mans baby
I ain't got no excuse to be trippin' on you for nothing
(I hate you, stupid motherfucker)
(I hate your ass too, do something)

'Cause we been stressin', stressin' out and shit
Feeling out of it
Fuck is going on?
Yeah
We been stressin', stressin' out and shit
Feeling out of it
