

# Tequila

Arin Ray

How did I  
Drink all this tequila?  
How did we  
Drink all this tequila? Damn  
How did I?

On this floor  
I gotta go  
Don't even know  
How the fuck to get home  
Stopping at the store  
'Cause I'm out of control  
Bu-bustin' out the smoke  
As soon as I hit the door

How did I?  
I don't know, I don't know  
Drink all this tequila?  
I don't know, I don't know  
How did we  
Drink all this tequila? Damn  
How did I?

Damn, you got me lit last night  
Yeah, we was lit last night  
Who will be the last one standing?  
Shit, I'll be the last one standing

How did I  
Drink all this tequila?  
How did we  
Drink all this tequila? Damn  
How did I?
