

# Wait So Long

Arin Ray

Let-Let-Let-Let's stay in topic, you know that I love you, baby  
Yeah, yeah, you been outta pocket, why you tryna stop this, baby?

Hey, hey, don't play  
Don't change, don't play  
Hey, hey, lovin' or we hatin'  
I love you anyway

But why would you wait so long?  
To say what you want, what you need  
And why would take so long?  
To say what you like about me  
And why would you wait so long?  
Oh, yeah, oh, yeah, yeah  
And why would you take so long?  
Oh, yeah, oh, yeah, yeah

Look me in my eyes and tell me this don't mean nothin'  
Say you on my side, but when I try, you always runnin'  
If you don't want ties, then why we always end up fuckin'?  
If you don't want ties, then why we always end up fuckin'?

Hey, hey, don't play  
Don't change, don't play  
Hey, hey, lovin' or we hatin'  
I love you anyway

But why would you wait so long?  
To say what you want, what you need  
And why would take so long?  
To say what you like about me  
And why would you wait so long?  
Oh, yeah, oh, yeah, yeah  
And why would you take so long?  
Oh, yeah, oh, yeah, yeah
