

## What It Is

Arin Ray

If we fuck around, would it be so bad?  
No, it's different now from what we once had  
'Cause if we fuck around, ain't no turning back  
Just call it what it is, yeah  
Call it what it is, yeah  
Ooh, babe  
Call it what it is, yeah

(Call it  
Call it  
Call it)

If we fuck around, would it be so bad?  
If I let you hit, no calling back to back  
'Cause if we fuck around, there's no strings attached  
Call it what it is, yeah (Call it what it is, yeah)  
(Call it what it is, yeah)  
Call it what it is, yeah

If we fuck around, would it be so bad?  
No, it's different now from what we once had  
(No tellin', no tellin')  
'Cause if we fuck around, ain't no turning back (Baby, I)  
Just call it what it is, yeah (Call it, no)  
(Call it)  
Call it what it is, yeah (Call it, yeah)  
Baby, just call it (Call it)  
Call it what it is, yeah (Just call it what it is, yeah)

(Call it)  
(Call it) Just call it  
(Call it)
