Beyond TV-terror, human shutdown, selective mind.

A collective kind - so frail.

Magnetic senses, electrified, synthetic design.

Controls the time: Upgrade, Degenerate, Dehumanate, Manipulate.

## [Chorus]

All systems has gone corrupted.

Pulsating streams of light, sublime control, energetic visions.

The human mind - So frail. An organic core, inside a metal shel 1, human

flesh nailed on rails.

Upgrade, Degenerate, Dehumanate, Manipulate.

## [Chorus x2]

All systems has gone corrupted, generations for sale.
