

3 PROBLEMS

Arizona Zervas

Yea oh oo, oo, oo
Ooo oo oo ooo
Yea yeah

I got three of my bitches in the club
I'm only buying drinks for the one
I thought girls just wanna have fun
So if I'm being honest
I don't want no problems
Got three of my bitches in the club
I'm only buying drinks for the one
I thought girls just wanna have fun
So if I'm being honest
I don't want no problems

Barry gave me the warning
Two came right before me
Tell Champagne to pour me up
I'm hoping that they both ignore me

Say
Ooo
Oh whoa oh oh
Ooo
Oh no no no
Got three of my bitches in the club right now
It's way too hard to fall in love right now

Got three of my bitches in the club
I'm only buying drinks for the one
I thought girls just wanna have fun
So if I'm being honest
I don't want no problems
Three of my bitches in the club
I'm only buying drinks for the one
I thought girls just wanna have fun
So if I'm being honest
I don't want no problems

Dirty looks all I see
Girl don't throw a tantrum
Don't be mad at me
It's not my fault I'm handsome
They all want the key
They tryna take my heart for ransom
Y'all need to let me breathe
Y'all better get to dancing
Now

Say
Ooo
Oh whoa Oh Oh
Ooo
Oh no no no
Got three of my bitches in the club right now
It's way too hard to fall in love right now
