itch and then I get them legs up  
It mean nothing to me, Brodie, Homie, you can come and check me, if r  
apping was a sport then I would probably win the Espy  
I'm raisin' it up, 'cause I got bars like Nexley, eh!  
Here's a pop quiz: will these rappers ever test me?

And dudes still saggin' man, they need to get their pants up  
All these rappers talk is lean and the phantom, but this one for my r

I just need that green on me like I'm playing for the Packers  
I used to chase pussy, but now I chase cash, cause the mouse gets the  
cheese, we don't stress the stray cats  
They said I'm a dick, but I just state facts, girl you now the deal,
