

Mind Your Business

Arizona Zervas

I hear 'em talking
Talking 'bout this
Talking 'bout that
Shit makes me geek
Aha

Here's a lil song for you hating ass bitches
Them run your mouth can't shut your mouth
Them hatin' ass bitches
Swear all they do is talk
Man I wish that I would listen
Fuck boy here's a tip
Homie mind yo fucking business

Everybody wanna say shit
But I ain't really fucking with the fake kids
I'm too busy stacking' up payslips
Prolly rapping' on ya girlfriends playlist
Clothes all black like I'm racist
Pull up with a bitch half naked
Maybe I ain't gonna hit it missionary
But guarantee ya boy get some brain bitch
All that ass, all that ass
Heard your mixtape dog that's trash
Working and grinding you
Bitching and wining
Hard working it don't hurt
When you get all that cash
Ain't rich but coming
No Steve-o but I'm stunting
On all these fakes fucks who prolly make eight bucks now shit Man ain't that something
Ha

Here's a lil song for them hating ass bitches
Them run your mouth can't shut your mouth
Them hating ass bitches
Swear all they do is talk
Man I wish that I would listen
Fuck boy here's a tip
Homie mind yo fucking business

I can rap and you know this
I drop a track and you notice
These other rappers are bogus
And I don't give tips like I got a bad hostess
God damn I'm the coldest
I got fans and I'm focused
This young man been bagging dimes
And truth is I ain't even smoking
Man ain't joking, man that's truth
Going OJ when I'm up in the booth
Little bit henny and a little bit a juice
And got me feeling wavy like I been up on a cruise
Whooo
Oh God damn This beat go

Watch AZ go beast mode
While you talk that trash and the boy gets cash
You can suck my dick and deep throat like

Here's a lil song for them hating ass bitches
Them run your mouth can't shut your mouth
Them hating' ass bitches
Swear all they do is talk
Man I wish that I would listen
Fuck boy here's a tip
Homie mind yo fucking business
