

## Zone

Arizona Zervas

I think that I'm finally in my zone  
Got a ting out west  
Got a ting back home, yeah  
I think that I'm finally in my zone  
Living on a high boo  
Keeping on the low, yeah  
I think that I'm finally in my zone  
Don't know where I'm going  
I'm just going with the flow, yeah  
I think that I'm finally in my zone  
Yeah, I think that I'm finally in my zone  
In my zone, oh yeah

Hey, bitch  
I've been doing well  
See me making plays  
Yeah I know that you can tell  
Like, ou  
Damn, four hundred for the bell

Got me feeling like Odell, uh  
Sipping on the cup

All about my business

Got a brand new watch  
So what you call that, perfect timing?  
Lately I've been making moves in silence, aye  
Tryna change my gold chains into diamonds, aye  
Call me Nyjah Huston how I'm grinding, aye aye  
You gon' need some ray bands when I'm shining  
Yeah, cause

Got a ting out west  
Got a ting back home, yeah  
I think that I'm finally in my zone

Labels fly me to they state

Yeah they put me in a Westin  
Want to have you over  
But you got to bring your best friend  
Saying that its luck  
Bitch I told you this was destined  
Keep your two cents  
Give a fuck about suggestion  
Why you always on the line?  
All this shit that's going on  
Its kind of hard to keep it quiet  
I'm not in it for the image  
Bitch, I'm in it for the pride  
And if AZ is in the cut  
Then I'm prolly on the side, ah
