

Pressure

ARIZONA

Shake it off, I just can't shake it off
When I'm miles away, oh, you still haunt me
Chasin' ghosts, it's like I'm chasin' ghosts
Just tryin' to get back to your body

The world's been pushin' on my back
But here tonight, I want to feel that

Pressure, p-p-pressure of you
Pleasure, pleasure in the dark now
Pressure, p-p-pressure of you
Put your hands up on my heart now

Pressure, p-p-pressure
Put your hands up on my heart now

Silhouette in the smoke of a cigarette
I can see your face on total strangers
So long I've been holdin' on
But you're closer now, I can almost taste it

And the world's been pushin' on my back
But here tonight, I want to feel that

Pressure, p-p-pressure of you
Pleasure, pleasure in the dark now
Pressure, p-p-pressure of you
Put your hands up on my heart now

Pressure, p-p-pressure
Pleasure, pleasure in the dark now
Pressure, p-p-pressure
Put your hands up on my heart now

(Ooh, I want, I wanna feel that)
(I want, I want to feel that)
(Ooh, I want, I wanna feel that)
The world is pushin' on my back
(I want, I want to feel that)
(Ooh, I want, I wanna feel that)
But here and now tonight
(I want) I want to feel that

Pressure, p-p-pressure of you
Pleasure, pleasure in the dark now
Pressure, p-p-pressure of you
Put your hands up on my heart now

(Pressure, p-p-pressure)
(Pleasure, pleasure in the dark now)
(Pressure, p-p-pressure)
(Pleasure, pleasure in the dark now)
(Pressure, p-p-pressure)
(Pleasure, pleasure in the dark now)
