

## Still Alive

ARIZONA

On a lonely flight  
You say, "Sooner or later, you're bound to catch one"  
I was born in fire  
Oh, I've already, 'ready, 'ready went and come

Oh, oh, I've been kicked around  
I've been in the dust, mmm  
Oh, oh, I ain't going nowhere  
Trust

All the pain and the pills  
And the shame should have killed me  
But I just won't die  
Oh-oh-oh, baby, I'm still alive  
Oh-oh-oh, baby, I'm still alive  
Well, I've been down in the dirt  
Broke my heart a couple times  
And yeah, I cried, cried, cried  
Oh-oh-oh, baby, I'm still alive  
Oh-oh-oh, baby, I'm still alive  
I'm still alive

Oh-oh  
Oh-oh  
I'm still alive

We just one  
Snuggling, snuggling, snuggling in the night  
And I don't know how  
But I know I, know I, know I will survive

Oh, oh, I've been kicked around  
I've been in the dust, mmm  
Oh, oh, I ain't going nowhere  
Baby, trust

All the pain and the pills  
And the shame should have killed me  
But I just won't die  
Oh-oh-oh, baby, I'm still alive  
Oh-oh-oh, baby, I'm still alive  
Well, I've been down in the dirt  
Broke my heart a couple times  
And yeah, I cried, cried, cried  
Oh-oh-oh, baby, I'm still alive  
Oh-oh-oh, baby, I'm still alive  
I'm still alive

Oh-oh-oh  
Oh-oh-oh  
Oh-oh, I'm still alive

All the pain and the pills  
And the shame should have killed me  
But I just won't die  
Oh-oh-oh, baby, I'm still alive  
Oh-oh-oh-oh, baby, I'm still alive

Well, I've been down in the dirt  
Broke my heart a couple times  
And yeah, I cried, cried, cried  
Oh-oh, baby, I'm still alive  
Oh-oh, baby, I'm still alive  
Oh, I'm still alive
