

Danger

Arjun Kanungo

Meri yaad aati hain Tujhe at 2 am
Aadhi raat aur main gayab phir se yun again
Tu toh baithi meri raah mein on Instagram
Now you're stalking all our mutuals
Kyun hain Saare Tujhse darte main hoon Jaanata
Afwah na hote Bewajah yeh manata
There's a rumour that you're naughty like that
But with you
I don't really wanna party like that

Har disha main dekhoon danger
Tujhpe na karoon bharosa
Jhoote jab Sach bole toh
Sach bhi bemaan hi hota
Maine teri baatein maane
Aur ab mera dil hain toota
Dhyaan de yeh ladkhi danger
Sabko bata

Can I see tonight?
Na-uh
Can I see tonight?
Na-uh
Can I see tonight?
Na-uh
Can I see tonight?

Pari ki hai libaas hain pari ka dil nahi
Pari ki hai aawaz lekin dekho ab kaheen
Main fassu na teri baaton mein tera main tha
Ab banunga na kabhi
Yaad rakhna meri baat yeh ek phase hain
Joh bhi ho, you know zamana sabse tez hain
Lekin tu toh na sune kisi ki baat what for you
This is a game and everyone is just the same yeah

Yeah you got game there's no denyin it
But we be vibin' why you fightin' it
So toxic how you're too afraid to stop
Tum haare waadein I'm not buying it

Har wafa mein dekhoon danger
Tujh pe na karoon bharosa
Jhoote jab Sach bole toh
Sach bhi bemaan hi hota
Maine teri baatein maane
Aur ab mera dil hain toota
Dhyaan se yeh ladkhi danger
Sabko bata
