

Bata de mujhe wajah de mujhe
Mera hi main na raha sab dhoondh rahe
Maine kiya aisa kya hum phir na mile

Main khud se hi kyun laapata
Hata de usse mita de usse
Duniya bani pyaar ki ilzaam tale
Tune kiya aisa kya hum phir na mile

Tune kaha tha mujhe
Na chhod ke jaana kabhi
Phir kyun palte hoon alag
Par bura to nahi

Ilzaam lage ke main badal gaya
Kyun badal gaya kabhi puchh meri jaan
Aansuon se bhara samandar tha mera
Tu tair na saki main doob gaya
Ilzaam lage

King!

Thodi wafa mujhse bhi kar leti
Maan leta paar khuda ke
Na jaane seh gaye kitne sitam
Socha tum haqdaar wafa ke

Hum galti se seekh gaye
Kabhi karna karna na bharosa
Husn walon pe

Khul ke bata do kya hisaab karoge
Ho itna chup reh ke kya barbaad karoge
Aur ab jo le hi chuke ho tum sab humara
Ab kyun yaad karoge

Ilzaam lage ke main badal gaya
Kyun badal gaya kabhi puchh meri jaan
Aansuon se bhara samandar tha mera
Tu tair na saki main doob gaya

Tere zulmon ko main aaj bhi
Hoon kyun seh raha
Tu bewajah bewafa kyun bani
Pehli dafa jahan yeh mera ro gaya
Sab kho gaya jo tu na mili

Jaane jaana aisa kya hai
Tune mujhse jo churaya
Mujhse puchho jeena kya hai
Itna chah ke bhi mil na paaya

Maine maana dil dukha hai
Apne haal pe rona aaya
Duniya jeeti sabko paaya
Bas ek pyar tera hisse na aaya
