Vroom-vroom, here I come
Just ride with me
Chal udja mere naal
'Cause girl, I got what you want
Come fly with me

Lakk tera hilda kuriye
Tu meri jaan ban le
Girl, you can be my queen
That belong to me, your ne eh ehe eh

It's Priya Pekki Alliya shally

I'll give you what you want and I hope you're ready

Nobody compare to the way you slay
