Run Away

Arjun

Don’t you go and run a run away,
Don’t you go and run a run away,
Don’t you go and run a run away with my heart
Girl can you give it up.

Come on rude girl girl (come on)
Come on rude girl girl
Come on rude girl girl
Come on rude girl girl can you give it up.

Come on rude girl girl can you give it up
I’m a rude boy boy let me give it up
Come on rude girl girl can you give it up
I’m a rude boy boy I’m a give it up

Thuli thuli thuli mazhaiyai vanthaaley
Don’t you go and run a run away with my heart

I keep seeing this girl at the party
And every time she looking so naughty
I can feel my heart start to race

I see her hips in slow motion
I had to get closer
The way that you’re wining girl
You’re the winner

Go go girl we gotta go
Out of this place to a world of our own
No no baby don’t say no
I can make you feel like a queen on a throne

Thuli thuli thuli mazhaiyai vanthaaley
Don’t you go and run a run away with my heart

I feel the heat girl when you’re next to me,
Making me sweat in the summer breeze
I can feel your breath on my neck – so close
Ooh your lips look so kissable
I want to taste it
Just melt away
Don’t you go and run a run away

What you want want want is what I want want want
Give it to me baby like boom boom boom
What you want want want is what I want want want
Oh girl yeah yeah yeah

Go go girl we gotta go
Out of this place to a world of our own
No no baby don’t say no
I can make you feel like a queen on a throne

Azhagai manathai,
Parithu vittalae
(Come on rude girl girl can you give it up
I’m a rude boy boy let me give it up

[x2])
Thuli thuli thuli mazhaiyai vanthaaley
Don’t you go and run a run away with my heart

I see her hips in slow motion
I had to get closer
The way that you’re wining girl
I’m a rude boy boy I’mma give it up

What you want want want is what I want want want
Give it to me baby like boom boom boom
What you want want want is what I want want want
(I’m a rude boy boy I’mma give it up)

Night time’s falling
I hear your body calling
You shouldn’t keep me waiting
No no no no

Go go girl we gotta go
Out of this place to a world of our own
No no baby don’t say no (baby don’t say nooo)
I can make you feel like a queen on a throne
(I can make you feel like)

Thuli thuli thuli mazhaiyai vanthaaley
Don’t you go and run a run away with my heart

Come on rude girl girl can you give it up
I’m a rude boy boy let me give it up
Come on rude girl girl can you give it up (baby give it up)
I’m a rude boy boy I’m a give it up (give it up)
