Ark Patrol

Is it in the air tonight?
Is it in the air tonight?

If it's love
That you need
Take it from me

If it's love
That you need
Take it from me

Is it in the air tonight?
Is it in the air tonight?

If it's love
That you need
Take it from me

If it's love
That you need
Take it from me

If it's love
That you need
If it's love
Take it from me
If it's love
That you need
If it's love
That you need
