

## All Those Days

Ark

All those days  
That I stole from you  
Some day I'll give them right back to you

All those days  
That I stole from you  
Some day I'll give them right back to you

'Cause you didn't want me that way  
And I wouldn't walk away  
But all those days  
That I stole from you  
Some day I'll give them right back to you

All those days  
That I stole from you  
Some day I'll give them right back to you

'Cause you didn't want me to walk away  
And I wouldn't anyway  
But all those days  
That I stole from you  
Some day I'll give them right back to you  
Some day I'll give them right back to you  
Some day I'll give them right back to you  
Some day I'll give them right back to you
