Gimme Love to Give

Ark

Gimme love, gimme love, gimme love to give to others
Gimme strength to endure when I'm fed up with this world
Gimme love, gimme love, gimme love to give to others
Gimme strength to endure when I simply hate this world
Oh, it's a pretty idea, walk this world like a messiah
But it will bring you to tears, and people will call you a liar

And when the scorners in the corners spread their anguish every morning
I just wish that there's a God that can hear me:
Gimme love, gimme love, gimme love to give to others
Gimme strength to endure when I'm fed up with this world
Gimme love, gimme love, gimme love to give to others
Gimme strength to endure when I simply hate this world
When people passing you by, you'll always be a child in yearning
You say that you will get by, but the sadness in your heart is burning
And here comes Chuck, he says: Lend me a buck, next thing you're lying on sidewalk bleeding
Gimme love, gimme love, gimme love to give to others
Gimme strength to endure when I'm fed up with this world
Gimme love, gimme love, gimme love to give to others
Gimme strength to endure when I simply hate this world
Oh Lord, I need your help now
To feel love 'cause I've forgotten how
And it's so hard you see when all the scruitinizers, brutalizers, hipster jerks and bad advisors
Make my ears and my eyes bleed
I say, please!
Oh, Lord!
Gimme love, gimme love, gimme love to give to others
Gimme strength to endure when I'm fed up with this world
Gimme love, gimme love, gimme love to give to others
Gimme strength to endure when I simply hate this world
Give me love, ooh, give me love to give
Give me love, ooh, give me love to give
Give me love, ooh, give me love to give
Give me love, ooh, give me love to give
Gimme love, gimme love, gimme love to give to others
Gimme strength to endure when I simply hate this world
Say will my prayer be heard?
