

## Blind Devotion

Arkan

Scourges as a warning from heaven  
Aback by hidden enemy  
Has the real reason been hidden?  
So many lies got around me  
Black skies laughing  
Warning from the Almighty's heaven  
Aback by a hidden enemy  
The real reason hidden

Now that I am sure of my fate  
I'll get it straight  
Defined and freed from blind belief
