

Bluebird

Arlissa

Do you think blue birds sing with the wind in their wings
So we all hear their call?
Ain't it sad how they're always around us
But we hear nothing at all?
If I could just see the world through the eyes of the girl
That I knew once before
A hopeless romantic won't take you for granted
Of that I'm sure

Why is it so hard just to slow down?
What must I do to let go?

Guess I gotta take my time
And enjoy the ride
Before it takes me home, home, home
Oh, I know that I'll be fine
Following the signs
Wherever they may lead
I'm free

(Ooh) when you don't know where to begin
(Ooh) all the answers are within
(Ooh) the hardest part is to unlearn
(Ooh) the pain that we think we deserve

Why is it so hard just to slow down?
Where will I go so I grow?

Guess I gotta take my time
And enjoy the ride
Before it takes me home, home, home
Ooh, I know that I'll be fine
Following the signs
Wherever they may lead
I'm free

Ooh-ooh-ooh, I'm free, I'm free
Ooh-ooh-ooh, I'm free, I'm free
Ooh-ooh-ooh, I'm free, I'm free
Ooh-ooh-ooh
Yeah, yeah

When you don't know where to begin
All the answers are within
