

Same Road

Arlissa

There ain't enough hours in the day
To watch us making all the same mistakes
You make me hang on to the words you say
Why you give me your problems
When you don't let me solve them

Cos I'm losing the energy
But you still make me fall
It's how it feels, when you love somebody?
It's like I'm losing a half of me
I never had before
It's how it feels, when you love someone?

But oh god, how many times do I have to tell you?
I don't wanna walk on the
Same road, back and forth, what are you trying to prove?
I don't wanna walk on the
Same road, same road

Give me a reason that I should stay
Cos there's enough for me to walk away
You got so good at standing in the rain
Oh, you give me your problems
But you don't let me solve them

Cos I'm losing the energy
But you still make me fall
It's how it feels, when you love somebody?
Like I'm losing a half of me
I never had before
It's how it feels, when you love someone?

But oh god, how many times do I have to tell you?
I don't wanna walk on the
Same road, back and forth, what are you trying to prove?
I don't wanna walk on the
Same road
Same road
Ooh ooh (I don't wanna walk on the)
Same road, back and forth, what are you trying to prove?
(I don't wanna walk on the)

It's like I'm losing the half of me
I never had before
Is this how it feels?

But oh god, how many times do I have to tell you?
I don't wanna walk on the
Same road, back and forth, what are you trying to prove?
I don't wanna walk on the
Same road
Same road
Ooh ooh (I don't wanna walk on the)
Same road, back and forth, what are you trying to prove?
I don't wanna walk on the
Same road
Same road
