## I'm Changing My Name to Chrysler

**Arlo Guthrie** 

Oh the price of gold is rising out of sight And the dollar is in sorry shape tonight What the dollar used to get us now won't buy a head of lettuce No the economic forecast isn't right But amidst the clouds I spot a shining ray I can even glimpse a new and better way And I've devised a plan of action worked it down to the last fraction And I'm going into action here today

I am changing my name to Chrysler I am going down to Washington D.C. I will tell some power broker What they did for Iacocca Will be perfectly acceptable to me I am changing my name to Chrysler I am headed for that great receiving line So when they hand a million grand out I'll be standing with my hand out Yes sire I'll get mine

When my creditors are screaming for their dough I'll be proud to tell them all where they can all go They won't have to scream and holler They'll be paid to the last dollar Where the endless streams of money seem to flow I'll be glad to tell them what they can do It's a matter of a simple form or two It's not just renumeration it's a liberal education Ain't you kind of glad that I'm in debt to you

I am changing my name to Chrysler I am going down to Washington D.C. I will tell some power broker What they did for Iacocca Will be perfectly acceptable to me I am changing my name to Chrysler I am headed for that great receiving line So when they hand a million grand out I'll be standing with my hand out Yes sire I'll get mine

Since the first amphibians crawled out of the slime We've been struggling in an unrelenting climb We were hardly up and walking before money started talking And it's sad that failure is an awful crime Well it's been that way for a millenium or two But now it seems that there's a different point of view If you're a corporate titanic and your failure is gigantic Down to congress there's a safety net for you

I am changing my name to Chrysler I am going down to Washington D.C. I will tell some power broker What they did for Iacocca Will be perfectly acceptable to me I am changing my name to Chrysler I am headed for that great receiving line So when they hand a million grand out I'll be standing with my hand out Yes sire I'll get mine
