

Broken

Armada

Can you hear her
Can you hear her
In the wasteland
In the wasteland
Hear her calling
Calling to you
From the wasteland
From the wasteland

She feels broken
Broken
Because she can't see the forest for the trees

So send a letter
Say you love her
Say you need her
In the wasteland
Can she hear you
Hear you calling
From the wasteland
From the wasteland

You feel broken
Broken
Because you can't see the forest for the trees
Words were spoken
Now love feels broken
Because you can't seem to tell her what she needs
She feels broken
Broken
And you can't seem to calm the stormy seas
She feels broken
Broken
Because she can't see the forest for the trees
