Last night, they arrested a fourteen-year-old boy from West Phileda-

The mayor says it's on the parents to keep their kids safe  
Yeah

ause we didn't have much

We stealin' from heartless, they're rippin' the mags out, cousins, we're stitchin' 'em back up

But you'd end up flyer than birds, the fact that the niggas I like, they murk

The son of the niggas I ride, the bird, the minimum kid, and we did him the worst

I'm better, but now

I think I'm dealin' with karma for shit that I did back when I was a kid, yeah

I was just mindin' my business but shot them boys venomous, then I got big, yeah

Next thing I knew, cops around me, next thing I knew, cops around me

Next thing I knew, Doc can't come outside because he shot somebody

Party boys, hella bands, fourteen, hella scared, hmm

Danny went to jail for years (Homie), mama moved to Delaware (Homie)

Neighbors said I'm dangerous, now my main ones, I can't hang with

But I told 'em I'd be famous and now I look it, mama, I'm on the news

For all the wrong reasons, for all the wrong reasons

Look it, mama, I'm on the news

For all the wrong reasons, for all the wrong reasons (Yeah, ay)

Don't think I'm runnin' a race, huh, don't think I'm runnin' a race

That's gon' be me one day, that's gon' be me one day

Patty just caught him a case, Stacks just caught him a case

That's gon' be me one day, that's gon' be me one day

Uh, uh, uh, face, he never said it to my face

And we goin' tit-for-tat, fuck it, I might put a ten on my face

We goin' tit-for-tat, fuck it, I might put a ten on my face

That's gon' be me one day, that's gon' be me one day, huh
