

# ICONIC.

Armani White

Aye

Wake up, shot calling  
Pay what? I bought it  
New crib psychotic  
I'm so iconic  
Fly her down to see the islands  
She ain't even bring a wallet  
They don't get it but I got it  
I'm so iconic

Yeah, straight out the Lenox, the trap phone for hours, I'm straight outta minutes  
They calling up Deon, they straight out the business  
We take out the simps and then take our percentage  
Period break out the menace from capital M, now he straight out the sentence  
Did pay out to pay out pay out, I'm finished  
Then gray'd out the lake house to Baywatch the women I cursed  
Go meet your maker, Lord, please don't save 'em  
Minor bumps since I been paving the road, I go to sleep, go major  
Silver tooth but I been playing for gold, that metal keep close range  
I cleaned up, still dangerous, can't change, West Philly raised me

Wake up, shot calling  
Pay what? I bought it  
New crib psychotic  
I'm so iconic  
Fly her down to see the islands  
She ain't even bring a wallet  
They don't get it but I got it  
I'm so iconic

Got ya stats up, but you ain't got no rings, hell yeah  
Got my stacks up, I'm living out my dreams, hell yeah  
Stretch this condo, I could fit a limousine, hell yeah  
Ain't that ironic? Huh  
I'm so iconic

This be my tunnel music  
Like cut the confetti, I'm running through it  
Might clear the whole lane, bitch, I'm running through it  
And if they run at me, let my youngin's do it  
I just married, I'm honeymooning  
I got hot on my own, it ain't nothing cool and  
I don't punch in no clock, bitch, I sun and moon it  
Pour them shots up, I'm bullet and hunnid proof and let it go

Wake up, shot calling  
Pay what? I bought it  
New crib psychotic  
I'm so iconic  
Fly her down to see the islands  
She ain't even bring a wallet  
They don't get it but I got it
