

# SILVER TOOTH.

Armani White

Ayy, used to have a silver tooth when I was just a pup, yeah  
Now I got some killers who got shotties with the pumps  
I don't wanna catch the feelings, I be tryna see what's up  
That lil' the shawty clean the pendants, I'm a diamond in the-, run it back  
Used to have a silver tooth when I was just a pup  
Now I got some killers who got shotties with the-
