

## stick up

Armani White

If I catch them on my strip out slipping  
I'ma make sure they feel it more then just a little bit

Nigga, if I ain't in ya top 5 then what the fuck is your argume  
nt  
I'm parked in a garage with a Geffen rep A&R  
In a charger the window locked and he coughing given two option  
s to  
Either gain a new artist or losing out on ya oxygen  
Arm barring a barber, poppin up to give ya pop a shove  
And knock ya momma out and then finger her with the boxing glove

If I catch them on my strip out slipping  
I'ma make sure they feel it more then just a little bit

They got me flagged, I even fucked around and got illuminati ma  
d  
My chipping tooth keep slipping through the sloppy mask  
The spot they spot me as  
The ring leader, king me, them niggas get the Rodney ass  
Whooping, shotty blast and then rotisserie the body bag  
Double piece shorties, I checker and paint the victim & stick h  
er  
The bigger the lick then the bigger the dinner yo ligament ripp  
ing it ricochet  
Rivet and rigged a rib an original riddick yo ribbon ain't shit  
A lieutenant get ten if yo tenant attending he tending yo tent  
& attempting to back up!  
They tripping off of acid still give him a chance to pass the s  
teel  
And rap yo cypher blasting, the passenger gotta grab the wheel  
I crashed the lambo at the packer field, kidnap him  
I pad the wall and grip a tablet and crack the glass across tha  
t bastard's grill  
Show up with bandolier and strap around the chest  
I'll hand the pistol to your face and still clap when I'm impre  
ssed fucking clown

If I catch them on my strip out slipping  
I'ma make sure they feel it more then just a little bit
