

TWO FRONT TEETH.

Armani White

All I want for Christmas is my two front teeth
What you want for Christmas, guys?
I want some new shoes and a Lamborghini

All I want for Christmas is my two front teeth
And two Lambos with two front seats, yeah
All I want for Christmas is my two front teeth
And two gold Rollies
I said
All I want for Christmas is my two front teeth
And two Lambos with two front seats, yeah
All I want for Christmas is my two front teeth
And two gold Rollies, okay

Woke up in bed, it's a hunnid degrees
Walk to the fridge, I need something to eat
Momma is strict, I'm accustomed to things
Can't see the gifts till I'm brushing my teeth, it's cool
I don't want much in the tree
Only the things that they wanted from me
A sack in the back with a couple of keys
For the Tesla, the Hummer, the truck, or the Jeep
I mean, I got a cuban link under a mistletoe
I got a hunnid Air Forces with different toes
I got a three-car garage where Saint Nick can go
I got on Pradas in case we get thicker snow
I been controlling the wallet
Bust out my grill, my stone is a diamond
Went on the road, stole or forgot it
Momma I know what I want in my stocking

It's all I want for Christmas is my two front teeth
And two Lambos with two front seats, yeah
All I want for Christmas is my two front teeth
And two gold Rollies
I said
All I want for Christmas is my two front teeth
And two Lambos with two front seats, yeah
All I want for Christmas is my two front teeth
And two gold Rollies, okay

Did you get what you wanted for Christmas?
I got what I wanted
Did you get what you wanted for Christmas?
Y'all get what you wanted?
I sure did
I got my Lambo and I got my Rollie
