

## Pas De Bourree

Armin van Buuren

If you want romance, baby  
Then you gotta dance with me  
I want you to show me how to pas de bourrée  
And if you wanna get with me  
Then you better dance, baby  
I want you to show me how to pas de bourrée

Pas de bourrée  
Pas de bourrée

If you want romance, baby  
Then you gotta dance with me  
I want you to show me how to pas de bourrée  
And if you wanna get with me  
Then you better dance, baby  
I want you to show me how to pas de bourrée

Pas de bourrée  
Pas de bourrée

Front side, back  
Bring it over, take it back  
Now front side, back  
Bring it over, take it back (Yeah yeah yeah yeah)

Front side, back  
Bring it over, take it back  
Now front side, back  
Now you know it, just like that (That that)

Now you know it, just like that (That that)

If you want romance, baby  
Then you gotta dance with me  
I want you to show me how to pas de bourrée  
And if you wanna get with me  
Then you better dance, baby  
I want you to show me how to pas de bourrée

Pas de bourrée  
Pas de bourrée

Here we go  
One and two and three and four  
And bring it to the floor  
I love it, give me more  
Pas de bourrée, baby  
Bringing it to the world  
You'll learn
