

Space Case

Armin van Buuren

John, please come in
John, we're still waiting on an update
Are you there? Over

Copy guys, sorry, static on the line
That's the case when you're in space

Space case, space case
Space case, space case, space case
Space case, space case
Space case, space case, space case
Space case, space case
Space case, space case, space case

Space case, space case
Space case, space case, space case
Space case, space case
Space case, space case, space case
Space case, space case
Space case, space case, space case...
Space case, space case
Space case, space case, space case
Space case, space case
Space case, space case, space case
Space case, space case
Space case, space case, space case
Space case, space case
Space case, space case, space case
Space case, space case
Space case, space case, space case
