

# Vulnerable

Armin van Buuren

Can't live without you  
Ever since I found you  
Oh, I keep replaying this in my head  
Think I'm almost done healing  
Every time we breathe in  
Still lost but I can feel a spark again (oh)

I got so used to being silent  
Pour me a drink so I can tell you all my feelings  
And for the first time, I'm not hiding  
'Cause with you, I (Oh)

I'm not afraid to be vulnerable  
Standing on the edge, I'm falling for you  
They always say it's impossible  
For two broken hearts to be finding the truth  
I'm not afraid to be vulnerable with you  
When you love me like  
Love me like you do

I'm not afraid to be vulnerable  
Standing on the edge, I'm falling for you  
They always say it's impossible  
For two broken hearts to be finding the truth  
I'm not afraid to be vulnerable with you  
When you love me like  
Love me like you do  
Love me like you do  
Love me like you do  
Love me like you do, yeah
