

# All 4 U

Ar'mon & Trey

Oooooooohhhh

Yeah

Am I the one that you call when you feel like giving up? (Giving up)

Uh-huh, when you need someone to pick you up, yeah (Up)

'Cause girl, if you love me then you would trust me

When it gets ugly, I'm here

I said that I got you

And girl, if it's not you then it ain't worth it

And I will give my all for

You, oh oh oh

And I will risk it all for

You, oh oh oh

I will take the fall for

You, oh oh oh

Baby, this is all for

You, oh oh oh

Baby, this is all for

You, you, you, you, you, you, you, you

You, you, you, you

Baby, this is all for

You, you, you, you, you, you, you, you

You, you, you, you, you, you, you, you

Jhee! Yeah

Now you know I'm never trippin' but I'm falling for you

I will turn a new leaf like it's autumn for you

365 days, spendin' all that with you

I'll be the Adam to your Eve, bring a apple for two

Girl, if you love me, then you would trust me

When it gets ugly, I'm here (I'm here)

I said that I got you

And girl, if it's not you then it ain't worth it

(Ayy, I like it)

And I will give my all for

You, oh oh oh

And I will risk it all for

You, oh oh oh

I will take the fall for

You, oh oh oh

Baby, this is all for

You, oh oh oh

Baby, this is all for

You, you, you, you, you, you, you, you

You, you, you, you

Baby, this is all for

You, you, you, you, you, you, you, you

You, you, you, you, you, you, you, you

Lay me down to sleep

God, I pray, your love I'll always keep

'Cause I can't be alone

You're all I need

'Cause I'ma stay right here  
I'll never leave

And I will give my all for  
You, oh oh oh (Yeah)  
I'ma give my all, I'ma risk it all  
And I will risk it all for  
You, oh oh oh (Ay)  
I'ma do it all, I'ma give it all  
I will take the fall for  
You, oh oh oh (Yeah)  
I would take the fall, I would do it all, yeah  
Baby, this is all for  
You, oh oh oh  
Baby, this is all for  
You, you, you, you, you, you, you, you  
You, you, you, you  
This is all for you  
You, you, you, you, you, you, you, you  
You, you, you, you, you, you, you, you  
  
Baby, this is all for you  
Baby, this is all for you (you, you, you)
