Ar'mon & Trey

She wave it side to side like a ocean  
Shawty, bounce it, bounce it, explosion  
Little confidence, but she a bad one  
Get her comfortable, it's a home-run  
She drop it, she pop it, but scared when they watching  
I'm throwing hundreds, so girl, ain't no stopping  
Niggas is hating, I peep how they're plotting  
But my vision's stuck on her lil mama rocket (eyy)

I know it's your first time, so don't be shy, girl  
Fuck a hater, work it, twerk it, make your dollars  
While you shine, it's your night, ride it smooth like a good flight

She say no, I say go, wanna see you on that pole  
Speed it up, then go slow, damn you got so much control  
Dutty whine, give you wine, girl, I wanna see you grind  
You can do it, shake what, fat ass get boo boo love, yeah

Shake it, shake it, shake it, shake it, shake it  
You can do it, baby  
Grind it, grind it, grind it, grind it, grind it  
You can do it, baby  
Ride it, ride it, ride it, ride it, ride it  
You can do it, shake what, that ass get boo boo love, yeah

I get you comfortable, swing it my way  
Wanna waterfall, I'ma make it rain  
Throw that ass in the air like an airplane  
Yeah, they talking 'bout you, but you getting paid  
They judge you, but it's 'cause you winning the relay  
Queen with this shit, must I call you Beyoncé?
