

# Cry

Ar'mon & Trey

Why do you do me like this? (Why?)  
It's gettin' harder to bite my tongue  
I'm tryna drown my problems (Yeah)  
But now that I just ran out of rum  
Don't know if I can hold it in  
Don't know how long I can keep quiet (Shh)  
I know it's not the time for this  
Right now/But now I can't no longer fight it

The way that I've been feelin', it won't change, babe  
I just hope you hear when my cries echos your name (Can you hear me c  
ryin'?)

Oh-oh, can you hear me cryin'?  
Oh-oh, can you hear me cryin'? (Yeah)  
Can you hear me cry out for you? (Can you hear me cryin'?)  
Oh, can you hear me cry? (Out)  
Can you hear me cry?  
Can you hear me cry out for you?

No, oh-oh, oh, ooh-woah, oh  
No, oh-oh, oh, ooh-woah, oh  
No, oh-oh, oh, ooh-woah, oh

Please, don't you do me like this (Uh)  
I know you are the only one  
Don't know how we can solve this  
But now that I've just ran out of rum  
Don't know if I can hold it in  
Don't know how long I can keep quiet  
I know it's not the time for this  
But now I can't no longer fight it

The way that I've been feelin', it won't change, babe  
I just hope you hear when my cries echos your name (Can you hear me c
