

Sober

Ar'mon & Trey

Are you drunk right now?

How we on and off after all this time?
Know you got my heart and what's yours is mine
Love it when we lost in the party vibes
Meet me at the [?] tonight, yeah

I say, "Let's end it right" (End it right)
Champagne, [?] (Ooh, yeah- yeah)
Then we roll a dice, put it on the line, yeah-yeah

What's the point in bein' sober (Sober)
When it's already almost over? (Over)
Let's just keep on drinkin' up (Ooh, ooh-ooh, ooh)
So it don't feel like breakin' up (Ooh, ooh-ooh, ooh)
What's the point in bein' sober
When it's already almost over?
Let's just keep on drinkin' up
So it don't feel like breakin' up

So let's get faded, ayy-ayy, ayy-ayy
'Cause we almost made it all the way (Made it all the way)
Let's get faded (Let's get faded, let's get faded, let's get faded, let's get faded, yeah)
Before we go our separate ways, can we celebrate?
Ooh-woah, oh-oh

Contemplatin' everything we done try (Try)
Ain't nothin' in the future showin' you and I (I)
I won't forget the times from "Hello" to "Goodbye"
So drink away the tears tonight, yeah

I say, "Just one last time" (One last time)
One shot, for every cry (Yeah, yeah)
Can we roll a dice, put it on the line? Yeah-yeah

What's the point in bein' sober (Sober)
