

WTF U Thinkin

Ar'mon & Trey

Yeah-yeah (Oh-ooh)
Yeah-yeah (Oh, oh)
Let's go

You tellin' me you love me and you cheated
I gave you everything you ever needed
Girl, what the fuck you thinkin'?
What the fuck you thinkin'? (Yeah, ah)
You tellin' me you love me and you cheated
I gave you everything you ever needed
Girl, what the fuck you thinkin'?
What the fuck you thinkin'? (Yeah, ah)

Bitch, I don't fuck with you
Lately, I don't really wanna know what's up with you
I blocked your name on Instagram, ain't keepin' up with you
Have to show my new girl, I ain't stuck on you
I ain't even tryna hear it no more
Want the woman of my dreams but I ain't sleepin' no more
Knew the first time that she lied I didn't trust her no more
I keep my feelings deep inside and I'm not lettin' them go
Lettin' them go, oh

You tellin' me you love me and you cheated
I gave you everything you ever needed
Girl, what the fuck you thinkin'?
What the fuck you thinkin'? (Yeah, ah)
You tellin' me you love me and you cheated
I gave you everything you ever needed
Girl, what the fuck you thinkin'? (What the fuck you thinkin'?)
What the fuck you thinkin'? (Ah-ooh, ooh-ooh, ooh)

I got some shit I need to talk about
Heated conversations, shorter tempers when we talk it out
I can't even lie, I got some baggage on my heart
Should have left you from the start, put that [?] up on your [?]
And I'm a father now
And now you bein' spiteful, this ain't even like you
I just told my old bitch to beat it like I'm Michael
Told myself to never be defeated, [?]
Never love 'cause I ain't got a reason, it is all for you, ooh

You tellin' me you love me and you cheated
I gave you everything you ever needed
Girl, what the fuck you thinkin'? (What the fuck you thinkin'?)
What the fuck you thinkin'? (Yeah, yeah)
You tellin' me you love me and you cheated
I gave you everything you ever needed
Girl, what the fuck you thinkin'? (Oh, oh-oh)
What the fuck you thinkin'? (What the fuck you thinkin'?)

Not the type of nigga to get in feelings
'Cause I'm too busy stackin' this paper and gettin' M's
But you low down son of a bitch, you wildin'
Had a threesome with two of your friends, then I'm smilin'
Bitch, I'm the one who had you drippin' in designer dress
Or who the one that had your back when your own family didn't?

I told myself that after you I'll never trust again
That's on my soul and Lord knows, I'll never love again
Don't apologize, and wipe your eyes, it's just the guilt in you
It really wasn't a mistake, you had to think it through
I really can't believe that I was really down for you
Man, I woulda died for you
You regret it, [?]

You tellin' me you love me and you cheated
I gave you everything you ever needed
Girl, what the fuck you thinkin'?
What the fuck you thinkin'? (Oh, ooh, ooh, ooh)
You tellin' me you love me and you cheated
I gave you everything you ever needed
Girl, what the fuck you thinkin'? (What the fuck you thinkin'?)
What the fuck you thinkin'? (Oh, ooh-ooh, ooh-ooh, ooh)
