

## Do Wrong to None

Armored Saint

Look at all the stress we got  
Ripe and blazing hot  
Unsuspecting victims to extract from  
Innocence is not enough  
No not a bluff  
Make sure that the answer is the right one

Suicide squeeze play

80 million years will pass  
Only some will last  
Size will not determine the forbearance  
Hemoglobin ripped away  
Marks on resumes  
Proving to be much more than a nuisance

Suicide squeeze play

Dot the I's and cross the T's  
The devil in the details  
Will prove that we're naïve  
This rock is never pure and rarely what it seems

Love all  
But only trust a few  
While the story unravels  
We gotta challenge the view

Love all  
But only trust a few

Dot the I's and cross the T's  
The devil incarnate is always bloodthirsty  
This rock is never pure  
Behind the smoke screen  
This rock is a sepulcher  
Spinning to demean

Love all  
But only trust a few  
While the story unravels  
The gnat continues  
Oh love all  
But only trust a few yeah  
While the story unravels  
We gotta challenge the view  
Challenge the view
